Vegetables Tomatoes	Tomato Mite, Two Spotted Mite, Powdery Mildew, Rust			

NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.

GENERAL INSTRUCTIONS: Grochem Lime Sulphur fungicide insecticide is readily miscible in water and should be used on the same day as it is mixed.

MIXING: Before using, shake container contents well. Add the required amount of Grochem Lime Sulphur to the water in the spray tank with stirring or agitation. Agitate while spraying. DO NOT mix Grochem Lime Sulphur with acidic water of pH below 4.

APPLICATION: Spray in the cool of the day. The spray mixture should be used on the same day it is mixed with water. DO NOT apply when freezing weather is predicted or the air temperature is over 32 degrees Celsius. DO NOT apply product within 2 weeks of an oil spray except as indicated under the compatibility statement below.

COMPATIBILITY: Grochem Lime Sulphur may be mixed with winter oil for use on Pome and Stone fruit during the dormant to semi-dormant stages only. For details consult the label of winter oil. Grochem Lime Sulphur has a limited compatibility with other pesticides and the use of any mixture is entirely at the users risk.

PROTECTION OF CROPS, NATIVE AND OTHER NON-TARGET PLANTS: DO NOT apply under weather conditions, or from spraying equipment, that may cause spray to drift onto nearby susceptible plant/crops, cropping lands or pastures.

PROTECTION OF WILDLIFE, FISH, CRUSTACEANS AND ENVIRONMENT: DO NOT contaminate streams, rivers or waterways with the chemical or used containers.

STORAGE AND DISPOSAL: KEEP OUT OF REACH OF CHILDREN.

Store in the closed, original container in a cool, well-ventilated area. Do not store for prolonged periods in direct sunlight.

Triple rinse containers before disposal. Add rinsings to spray tank. DO NOT dispose of undiluted chemicals on site. If recycling, replace cap and return clean containers to recycler or designated collection point.

If not recycling, break, crush or puncture and deliver empty packaging for appropriate disposal to an approved waste management facility. If an approved waste management facility is not available, bury the empty packaging 500mm below the surface in a disposal pit specifically marked and set up for this purpose clear of waterways, desirable vegetation and tree roots, in compliance with relevant local, State or Territory government regulations. DO NOT burn empty container or product.

SAFETY DIRECTIONS: Do not handle until all safety precautions have been read and understood.

Avoid breathing dust/fume/gas/mist/vapours/spray.

Wash thoroughly after handling.

Use only outdoors or in a well-ventilated area.

Avoid release to the environment.

Wear protective gloves/protective clothing/eye protection/face protection
Specific treatment is advised – see first aid instructions.
Take off contaminated clothing and wash before re-use.
